

JUSTICE AND PUBLIC SAFETY CYBERSECURITY SUMMIT SPONSORSHIP OPPORTUNITIES

MARCH 21, 2023 | ARLINGTON, VA

The Justice and Public Safety Cybersecurity Summit aims to bring public and private sector stakeholders together to address the growing need for proper cyber hygiene and managing associated risks with increasing cyber threats. By attending this exclusive summit, you will hear from national and international thought leaders from industry and practitioner communities to better understand the cyber threat landscape and the effective strategies that you can develop to address the associated risks, available solutions, and best practices.
